admin@prestigesurfaces.com.au 1300 781 652 www.prestigesurfaces.com.au

Prestige Surfaces specialises in the expert cleaning and protection of natural stone, concrete, and hard surfaces. Utilising advanced techniques and premium products, we ensure long-lasting, stunning results.

With a commitment to excellence and customer satisfaction, we transform and preserve the beauty of your surfaces with unmatched precision and care.

Site Number: 70

sales@shapescaper.com.au 03 8799 2406 www.shapescaper.com.au

SHAPESCAPER® modular steel landscaping products are manufactured in Melbourne using Australian BlueScope® Steel. The extensive range of steel garden edging, box planters and planter rings feature a modular design with smooth edges. Pre-drilled holes across the entire range of profiles making installation quick and easy.

Stone Set

Site Number: 61

mail@stoneset.com.au 1300 392 155 www.stoneset.com.au

Pioneering Permeable Paving & Resin Bound Installations & Products in Australia. Whether it's revitalizing worn-out surfaces or embarking on fresh projects that demand a top-tier finish, our range of resin-bound products and services provides a seamless blend of striking aesthetics and exceptional performance. With a focus on sustainability and durability, our solutions are designed to enhance both the visual appeal and longevity of your outdoor spaces.

In Collaboration with

Site Number: 68 13 16 01

Site Number: 8 gabe.mostafa@greenerpublishing.com.au 0433 745 004 www.hortjournal.com.au	Hort Journal Australia magazine is published monthly by Greener Publishing & Media Pty Ltd. It is Australia's most exciting Horticultural trade media and communication solution for the nursery and garden industry, including the landscape industry.
Site Number: 5 ods@umco.com.au 02 9887 0351 www.outdoordesign.com.au	For more than 20 years, the ODS network has been the leading resource for the landscape and external works industry. This primary audience is responsible for specifying projects and the management of billions of dollars of external works contracts every year. Up-to-date content means specifiers can find quality products and suppliers to assist with their purchasing decisions.
arron.reed@primecreative.com.au 0466 923 194 www.landscapecontractor.com.au	Presenting hands-on equipment reviews, industry news, technical editorial and advice on business development and management for landscaping professionals, Landscape Contractor Magazine has been the voice of the Australian landscaping industry since 1997.

www.tafensw.edu.au

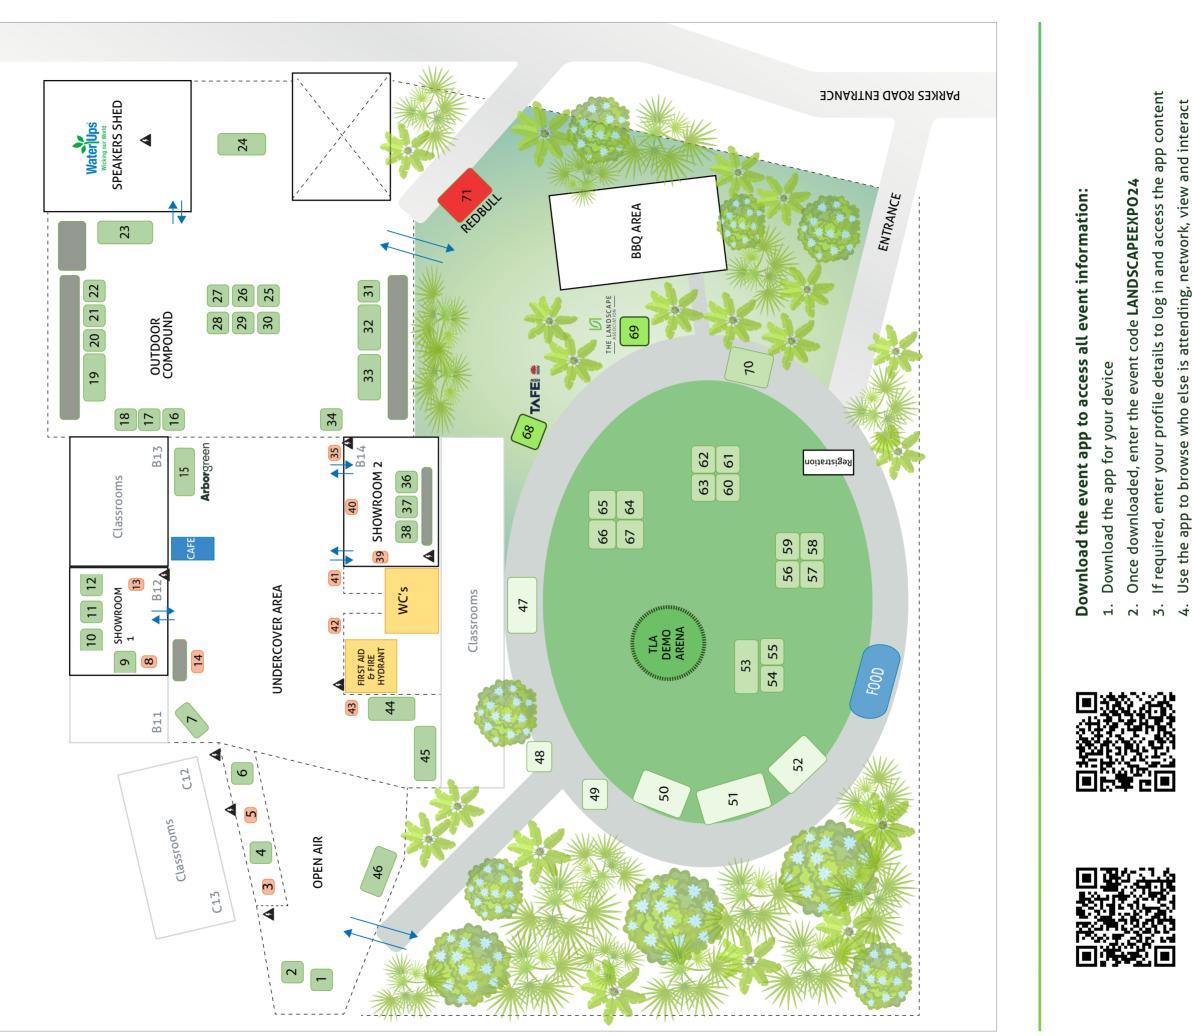

As one of the leading providers of education and training in Australia, TAFE NSW has industry qualified and experienced teachers bringing up-to-date, real-world skills directly to the classroom.

Our courses and degrees can change lives and open opportunities through learning.
